

# EXPERIENCE MATTERS

TRUST IN EXPERIENCE, TRUST IN LONGEVITY,  
TRUST IN ABBOTSWOOD AT STONEHENGE.

In Senior Living, Experience truly Matters. Experience of staff, reliable care, and the relationships that residents develop with the consistently present associates.

Abbotswood at Stonehenge has been in the Raleigh area for over 35 years and during that time we have created a reputation for the strong and meaningful relationships our associates and residents establish with one another.

We offer quality care you can trust, and flexible Independent and Assisted Living Service options to fit any lifestyle.
