A Letter from the Executive Director

Dear Residents, Families, and
Associates of The Kensington,

Summer has ended and we are excited about the fall season as we have an engaging activity and event calendar planned for you, we will have plenty of opportunities to celebrate the beauty of fall season. Consider taking a stroll in our garden and main courtyard to soak in the colorful foliage and please join us for our New Resident Mixer, it is a great opportunity to meet your new neighbors and make new friends.

Resident Spotlight

This month's Resident Spotlight is our very own Dolores E.! Dolores has lived at The Kensington for 3 years now, and we're so happy to have her here!

Dolores was born in Schafer, North Dakota. During her childhood, her family moved to Grafton, North Dakota. After she graduated from high school, she started working at a phone company. Dolores had

always wanted to move out of North Dakota, but her father told her she would have to wait until she was 21. When she turned 21, she chose to move to California. Her sister had been living there for a few years, and Dolores decided that's where she would go too. On the way to California, she stopped in Washington to stay with her uncle. He took her fishing on the Puget Sound, but Dolores was the only one who caught any fish! She then moved to Oakland and started working at Southern Pacific in San Francisco. While working at Southern Pacific, she had a coworker that she had become friends with. Her coworker was trying to set Dolores up with her cousin. He had just finished his service in Korea and was coming back to the States. Dolores was reluctant, but eventually agreed to

meet up with him to appease her coworker. Well, the couple hit it off and got married 6 months later. Together, they had two sons. The family then moved to Concord, which is where Dolores lived until she moved to The Kensington in 2021.

Dolores's favorite things to do here are Book Club, Rummikub, and Wii Bowling. She also used to sew in her downtime. Her favorite thing about The Kensington is the pleasantness of her fellow residents and the staff, she says that the people around her really make it feel like a community. Dolores has 3 grandchildren and 4 great-grandchildren! She will be turning 94 on October 2nd, so make sure to wish her a happy birthday! Congratulations on being this month's Spotlight!

The Kensingtonian

You may notice the new heading. I hope it meets with your approval. It seemed our old heading was too alliteratively cute for my taste. Now on to my rambling thoughts for this change of season month. Evening shadows are greeting us earlier. The morning light is weaker. Time to carry a sweater with you as you leave your apartment. More time to convert to coach potato-ism. Or become involved in the political scene. The latter may become too contentious or complicated for daily

consumption.

In my case, besides enjoying PBS and its latest offerings; I have a guilty pleasure. Yes, indeed. I watch the Hallmark channels. The predictability of the story lines, the attractiveness of story protagonists, the all's well that ends well of most of the plots allows me to escape the reality and sameness of everyday life. It isn't necessary to devote my full attention to the screen to be able to follow the plot. I can even predict what our heroine's responses to the challenges to her relationship with our hero will be. Ah, if only life were that simple. And, of course, the adult children of the more mature cast members are constantly available, despite their demanding careers. We all have guilty pleasures. I see them around me every day. Some of us read cartoons in the

newspapers, sit doing word or number puzzles, or play games on our phones. The most ubiquitous guilty pleasure at The Kensington (in my estimation) is dessert. What would a meal be without the delicious dilemma of choosing the desert de jour? Will it be the specialty of the day or assorted cookies or ice cream? Maybe one for here and one to go. A smashing dessert will make the least popular dinner a winner. One remembers the desert in glorious technicolor and stereophonic sound.

Until next month, identify and enjoy your guilty pleasure(s). Enjoy the changing season enhanced by the coziness the autumnal weather brings. On a more serious note, be sure you are registered to vote or have voted absentee.

Employee Spotlight

This month's "Employee Spotlight" is shining on our amazing Dining Room Server, Nisha Alexander! Nisha celebrated seven years working here in the community this past August—congratulations!

Nisha has been selected as the Employee Spotlight because she is kind, patient, and caring with residents and associates. She is always willing to step in and help

out. She responds to needs quickly and in a timely manner, which is one of the core Principles, Values, and Beliefs of Kisco. She is a great representation of being committed to providing exemplary service to the community.

When Nisha is not working, she enjoys shopping! She has two children, a son who's 19 and a daughter who's 21. She was born in India and has lived here in the US for over 35 years.

Congratulations on being this month's spotlight—you deserve it! Your efforts to go above and beyond have been seen and are greatly appreciated by the community.

Pet of the Month

Meet Izzy, our pet of the month! Izzy is an eleven-year-old gray tuxedo cat. She moved to The Kensington seven months ago with her dad Zaki J.

Zaki got Izzy about four years ago when sadly his neighbor, who had been her previous owner, passed away. After her passing, her daughter wanted to rehome Izzy because she didn't feel that she could keep her. Zaki volunteered, and the two have been together ever since! Izzy is a sweet and cuddly cat.

She and Zaki love to take naps together; she'll sleep right on his chest! She also enjoys playing, and Zaki

has several cat toys for her to play with. It's a joy having Izzy and Zaki here at The Kensington! Thank you for being our pet of the month!
