Meet The Board
August 2025

On July 25th, 2014, The Fountains celebrated its 15th anniversary with a gala that featured a cocktail hour, chef demos, music, tours and wonderful hors d’ oeuvres. I had lived here for a little over a year and was honored to be one of the residents to write something for the program. This is what I wrote:

“I started looking at several senior living complexes when the responsibilities of home ownership became difficult and costly. I looked at several communities in the area and found small rooms, places too far from my church and friends, and I just couldn’t wrap my arms around the buy-in concept. Sales and marketing gave me many opportunities to experience activities and meals here. I even saw The Fountains from the eyes of a resident. I was concerned about my dog ‘Buddy’ but he adjusted quickly in the dog-friendly environment. The entire staff, because of past and present leadership, is very caring and responsive to my needs. You can’t put a price on peace of mind. I now smile to myself when tax bill time arrives and anytime to see A/C and plumbing repair trucks, I’m truly learning ‘The Art of Living Well.’”

Through the years I have seen many changes in The Fountains and in myself. I still enjoy the caring staff, the many activities and the “Making a Difference” motto. It’s about time for another “Gala.” The Fountains knows how to party. Let’s celebrate life!!

Are you blind or visually impaired?
It's important to know what resources are available to you.
